Bears Bounce Susquenita

by Steve Lush

Northern's varsity baseball team played its most important game of the year on Thursday, May 3rd at their home field. Mid-Penn Division III co-leader Susquenita was in town to host the Bears and it took extra innings to determine a winner. Northern literally walked their way to victory in the eighth inning, when Dylan Mehrbrich drew a bases loaded walk.

That contest featured the ace pitcher of each staff. Brian Newman of Northern and Tom Riedel of the Blackhawks. Newman raised his record to 7-1 in going the distance for the win.

While the visitors scored a single run in the second, sixth and seventh innings, the Bears bunched three runs into a big 5th inning. This knotted the score at three runs apiece at the end of regular play. After holding the Blackhawks scoreless without benefit of a base hit, After Dave Staton reached on an error, pinch runner Mike Walton was moved to second on a sacrifice bunt by Scott Aeppli. An intentional walk to Newman, and a following base on balls in Kevin Cushman loaded the bases. Mcrovich then worked Riedel for yet another walk to force in the winning run.

After knocking Susquenita from a share of the legal lead, Coach Smith states "the team now controls their own destiny."

Games scheduled for next week are Big Springs (A) on May 15, and the big showdown with current leader, West Perry (A) on May 17. Starting times are 4 p.m.

Keeping Track of Northern Track

by Ted Silver

Three again, Northern High School has come up with winning girls and boys track and field teams. After the meet with Boiling Springs on May 1 the girls have a conference record of 3-0 and an overall record of 11-0. They are first in the Mid-Penn Division III and seem to be headed for another Division championship. The boys have a conference record of 6-1 having lost to East Pennsboro only by a score of 79-71, and an overall record of 7-4. They are currently second in the Mid Penn Division III behind East Pennsboro, defending champions from 1989.

The meet against Boiling Springs was a breeze for the girls with the Northern team winning by a score of 107-14. Once again seniors Nancy Jacoby, Kay Kula, Shauna Hess, Amy Minnich and Becky Minnich provided a large portion of the points. Freshman Rachel Romberger is making great strides in the field events and promises to be quite an asset in future years. Sarah Francis, a sophomore, has been winning the 100m run frequently, as she did Thursday with a time of 13.34.1.

The boys didn't have too difficult a time against Boiling Springs either winning with a score of 91 2/3-54 1/3. Seniors Matt Ayers and Mike Yohn performed well in the pumps, as usual and Junior Dan Cook provided a good show in the field events. Freshmen Greg Jacoby and Jim Keeley are going to be interesting to watch in the coming years. Senior Bill Reeves set a new school record in the 3200m run beating the old record by 3 seconds.

Youth Challenge Outreach for Men

A Youth Challenge Outreach for Men representative team will be ministering to Dillsburg Assembly of God located at corner of W. York and Beaver Sts., in Dillsburg, on Sunday, May 20 at 10:45 a.m. where Rev. Robert A. McDonald is pastor.

The service will feature a ministry team of students from Youth Challenge Outreach for Men, a residential Christian rehabilitation program designed to help young men who are experiencing life-controlling problems. The Sunbury based group will be presenting the positive cure for a negative age in testimony, song, and through God's Word, the Bible, according to Rev. McDonald.

The team will be sharing their love for Jesus Christ and how they discovered that God is the cure for drug addiction, alcoholism, and emotional problems stemming from broken homes. In an age that makes it easy to use the environment, upbringings, or negative influences as excuses for our problems, these young men learn that once they have asked Christ into their hearts, they can no longer justify wrong behavior. Many times young people don't realize how serious a problem they have until it is too late.
